### Integrated Pest Management Notice

Periodic application of pesticides occur in some areas inside the District #13 building. When application of pesticides is necessary, it is completed safely by a licensed professional during the last five calendar days of any month. Application of lawn herbicides to control weeds occurs during the months of April and October on days when school is not in session. Please contact your building principal if you have a question regarding this information.

The Parent is and remains the first and MOST IMPORTANT teacher the child will have.
